

SPONSORSHIP PACKAGE

GEEKSHACKING

We are passionate software developers, computer engineers and technopreneurs giving back to the tech community using our skills and experiences.

We want to create innovative and impactful solutions that will make a difference in the world today.

3Gs (Geeks, Grow, Give back.)

- We are **Geeks** who love Gadgets / Geeky Stuff!
- We seek to **Grow** together and learn new technologies
- We **Give back** to the tech ecosystem that we benefited from

Vision

Establish impact through
Empowering our community and
Emerging technology

Motto

Change The World With Code

HACKOMANIA

HackOMania is our annual flagship event bringing students and tech professionals together over 24 hours to tackle real world challenges.

Each year, the GeeksHacking community ventures into unexplored realms to innovate and uncover boundless possibilities. We hope to create breakthroughs by leveraging emerging technologies to solve real-life technical challenges.

So, what are you waiting for?

Partner with us to Change The World With Code!

PAST HACKOMANIA EVENTS

HackOMania 2024 marked our return after covid lockdowns and lifting of restrictions.

Rakuten hosted us as we Innovated for tomorrow, building a resilient future! We thought it would be a slow start but we were blown away by the enthusiasm of the participants and sponsors.

>300 registrations for main event.

200 developers for our pre-event.

36 innovative projects submitted around challenges that were built for public good, future resilience and many had AI solutions.
